

Dodge County Child Death Review Team Meeting Minutes

July 26, 2018

Meeting was called to order by PJ Schoebel at 10:04 a.m.

Members Present:

PJ Schoebel	Tim Bauer
Brooke Kaat	Betsy Peterson
Sara Gaska	Brian Drumm
Bernadette Mueller	Karen Nash
Jody Langfeldt	Matt Bartol
Heather Thorson	Michael Reissmann
Jennifer Campbell	

Also Present: Recording Secretary Lisa Justmann

Approve the minutes of the July Meeting:

A motion to approve the minutes was made by Brian Drumm and seconded by Jody Langfeldt.

Committee Member Updates:

Jody Langfeldt was awarded a Recognition Certificate for serving the community. Abby Sauer will be the new health officer taking over Jody Langfeldt's position.

Bo's Heavenly Clubhouse brochures were passed around and services provided discussed. The support group is ran by Amanda Hartwig and include support to parents who have lost a child and stuffed animals created using child's belongings. Support is given to any parent who has lost a child of any age. A monetary donation of \$200 to 250 is given to a family who has recently lost a child to help with expenses. PJ Schoebel made the suggestion to have Amanda Hartwig come to a meeting and give a presentation on her support group.

Discussed the need to write a new resolution as Jody Langfeldt is listed as the co-chair of the committee. The committee agreed that new resolution should list positions not specific individuals in those positions. PJ Schoebel will be working on this in the coming months.

Brian Drumm discussed the Child Drug Endangerment Program. Training for this program will be finalized in August. After that there will be training for schools and anyone who wants to learn. After all training is completed we will be part of the WI Alliance for Drug Endangered Children.

Jody Langfeldt reported on the Opioid Grant given to Dodge and Sauk County in the amount of \$200,000. Grant will be used for provider and community education. Coalition will be formed to include

physicians, pharmacists, law enforcement and nurses. Abby Sauer and Amanda Mersch will be going to Boston for formal training. Information will be put out to public during Safe Night Out.

Betsy Peterson reported that Waupun and Beaver Dam received mental health grants. Grants will be used to initiate the Y-screen on 9th graders to screen for depression/suicide. Area treatment providers are also going to these schools to see middle and high school students for mental health services.

New Business:

Discussed Jody Langfeldt leaving creating a space for a co-chair position. Duties of co-chair include getting case files together, creating the agenda, data entry, and attending the Children Health Alliance meeting. Betsy Peterson voiced interest in the position. Jody Langfeldt made a motion to elect Betsy Peterson as co-chair and motion was seconded by Bernadette Mueller.

Betsy Peterson asked if there was going to be a display and personnel at the fair from the committee as she would like to see information focusing on mental health specifically depression and suicide if possible. PJ Schoebel stated he would not be at the fair, but Jody Langfeldt did indicate that information could be set out at the Public Health booth.

Sara Gaska reported that Dodge County Human Services & Health Department will begin the Zero Suicide Initiative 2019. The initial training will be held next summer with a role out of the initiative to occur after that.

Tim Bauer inquired if we do an autopsy for every MVA that results in a death. PJ Schoebel states that the autopsy will be performed based on individual cases. Fond du Lac County is no longer doing autopsies for Dodge County and these cases are now being referred to Milwaukee County.

PJ Schoebel made a motion to close the session and is seconded by Betsy Peterson.

Next meeting is 10-25-18.

Respectfully Submitted:

By Recording Secretary Lisa Justmann
